

# Hargraves Courthouse Working Bee

**The Hargraves Courthouse is coming to life again!  
Help us bring this beautiful and treasured local building back  
from the brink and return it to public use.**

**We need your help with some general gardening and clean up  
work around the Courthouse grounds. Just a small amount of  
your time can help make a big difference.**

**This is a great opportunity to get together, share ideas and  
information about the restoration process and to enjoy the  
building and grounds.**

**Working Bee times 9am-11am**

**April - Sunday 22**

**May - Sunday 13**

**June - Sunday 17**

**Please bring your own lunch & refreshments, gardening gloves  
and tools.**

**Any small  
amount of time you  
have is great. Help us  
to make the courthouse  
beautiful again.**
